

HARSEN'S ISLAND FIELD DAY PICNIC

SPONSORED BY THE

Harsen's Island St. Clair Flats Association

**Saturday August 1, 2009 Cecil Browne Field
12 Noon to 7:00 P.M.**

A Great Day of Fun for the Whole Family!

A SPECIAL THANK YOU TO OUR MEMBERS

The Association appreciates all the member's support of the Field Day Event. This is our main fund raiser for our Association. Your donation of buying or selling the enclosed tickets helps all the community related functions that the Association supports. We offer this day also as a thank you to everyone for their continued membership and support!

Please return your ticket stubs along with your money in the preaddressed envelope. Please fill out your stubs completely so we can contact you if you win. Hopefully all our winners are present at the drawing!

Also enclosed is a yellow donation card for the **SILENT AUCTION**. This is one of the special events held every year. It would not be so successful without the generous donations from all our members. The more gifts, the more fun everyone has. Contact Mary Ann McLane, 748-3256 if you have a gift. Thank you again for your support.

**Watch The Flyer each week
for our announcements and
schedule of events.**
